Each soccer school will ensure that a qualified teacher is present to coordinate each venue. We will aim to also have practising teachers coaching at each age group, where a teacher is not present to coach at each age group, an experienced and qualified football coach that is Enhanced CRB checked; trained in Emergency Aid and Safeguarding Children and that hold nationally accredited Certificates in Coaching Football are present. All of our younger age groups also have an assistant coach, ensuring 100% supervision at all times.
